## Head Coach Women's Basketball

---

Job No 128                      \$87 865 plus superannuation

---

*The AIS Women's program, in partnership with Basketball Australia, is a centralised residential program for elite developmental (under 20) athletes based in Canberra. The program is closely linked to the national junior team. The AIS Women's Basketball program competes in the WNBL and has a full-time Women's Assistant Coach.*

You will Provide overall technical direction and management of the AIS Women's Basketball program.

You will require tertiary qualifications in coaching/teaching and/or Level III NCAS accreditation and demonstrated success coaching at a national level.

*Position is based in Canberra and is available for a fixed term period.*
